May Vacation: Things to Do (2020-21)
Std.: 6 & 7

During the lockdown period, you must have experienced that life is not tied with a bow but it is still a gift. So dear students, get busy with some of these exciting things to do during your May vacation for an experiential learning.

*All written work should be done on foolscap sheets.

- 1) Give a positive title to the Year 2020 – e.g. Year of Healthy Recipes, Year of Family Time etc. Decorate it and put it in your house.
- 2) Make a card for all our helpers, doctors, people serving us during this pandemic.
- 3) Make toys from trash. (Refer to arvindguptatoys.com)
- 4) Learn a new poem, song, bhajan, *stotram* or shloka and audio/video record it in your voice.
- 5) Make any three tongue twisters of your own and note them down. E.g. If a dog chews shoes, whose shoes does he choose.
- 6) Write down any 4 recipes you will be trying. You may make a video of you cooking and have it recorded in the form of a TV show.
- 7) Write a Diamante Poem. A PDF copy of how to write one has been attached to this file.
- 8) Diary Writing: Jot down the work done by you as a daily routine during this period. Include your emotions and experiences.
- 9) Watch films of any language and draw out your favourite character from it. Write a description of that character in a creative way and explain why you liked that character.

The following are a few films you could watch:

- The Wizard of Oz
- Pinocchio
- Miracles on 34th Street
- 20,000 Leagues Under the Sea
- Around the World in 80 Days
- Mary Poppins
- Oliver
- Star Wars
- E.T.: The Extra Terrestrial
- The Sound of Music
- Coco
- Garfield
- School of Rock
- Avenger Series

- 10) Listen to good Western/ Indian classical, Philharmonic orchestra, Sawai Gandharv festival music. Write down the names of the bands and the musical instruments used.

- 11) With your parent's help, make a mask for yourself. Attached is a video.

** Please note that any kind of recording or picture can be uploaded on MS Teams in the respective group for everyone to see. This will encourage other students to try the same.
