Thanksgiving Nine More or Less

Color a number and the number that is nine more or less.

a game for 2 players

Need: Pencils

Players take turns to color a number and the number that is nine more or nine less than that number. The numbers can be anywhere on the board and do not need to be beside each other, e.g. a player could color 24 and 33. One pair is colored to show you what to do. The last player who can color a pair of numbers is the winner.
